MORE ADVANCES COME ABOUT IN ACTIVE MARKET

New High Records Made in United States Steel and other Favorite Climbers of Last Seven Weeks.

BY MORNING JOURNAL SPECIAL LEARNED WIRE
New York, Oct. 23.—Developments of the week-end were deemed sufficiently favorable by the speculative agent to bring about further appreciable advances in today's active market, with new high records for United States Steel and other favorites which contributed so extensively to the steady rise of the last seven weeks.

Last Saturday's bank statement showed a liberal expansion of cash holdings and a corresponding contraction of loans—the greater part of which was reported from principal centers, material tonnages being loaded railway systems, and created demand for products and supplies helped to accelerate the upward movement.

The rise of 12½ points to the new record of 121½, at which it passed a referred stock for the first time in the company's history, was again made by an enormous turnover, no less than 220,000 shares changing hands out of a total of 1,270,000, speaking surely to give Steel and its leaders in the industrial division a moderate setback toward the end, but this was counter-balanced by greater strength in high grade stocks.

Bonds were mainly steady on light dealings. Total sales, par value, \$100,000.

United States bonds were unchanged in all.

Cause of Constipation.

Constipation results from a lack of moisture in the residual matter of the food.

To effect a permanent cure more water must be taken into the system. Drink a full glass of water half an hour before breakfast and about the third of a glass an hour and a half after each meal; also eat an apple or banana before breakfast and before going to bed. Make sure that your bowels move just after breakfast whether there is an inclination or not. When a medicine is needed take Chamberlain's Tablets as they are mild and gentle in effect, but no medicine should be taken when operations can be induced naturally each day. To effect a permanent cure time and patience are required as bad habits are more easily formed than broken up. Obtainable everywhere.

None So Good as Chamberlain's.

"I consider Chamberlain's Couguar Remedy the best medicine on the market for colds and coughs"—Mrs. D. H. McDowell, Fort Wayne, Ind. Obtainable everywhere.
